Dear Valued Patient,

We're reaching out to inform you of an important update regarding our relationship with your dental insurance provider, [Insurance Company Name].

Effective [Date], our participation status within the [Insurance Company Name] network will undergo a change. While we remain committed to accommodating your insurance, we will no longer be affiliated as preferred providers within the [Insurance Company Name] dental network. In light of this transition, we are offering a complimentary benefit assessment to assist you in understanding any potential differences this alteration may introduce.

This decision reflects our unwavering dedication to prioritizing your care above all else. Rather than conforming to limitations imposed by insurance protocols, we have opted to preserve our autonomy in delivering the quality treatment you deserve.

Regrettably, recent developments have compelled us to reconsider our alignment with [Insurance Company Name]. We refuse to compromise on the standard of care we provide to our patients, even if it means diverging from the constraints dictated by insurance mandates. Rest assured, we remain committed to accepting your insurance and upholding our duty of care to you.

As a result of this change, you may encounter slight adjustments in the cost-sharing for your treatment. We have meticulously evaluated these implications and believe that the benefits of this decision far outweigh any minor inconvenience. Additionally, should our benefit assessment reveal that your insurance plan does not offer out-of-network coverage, we will extend a [Discount Percentage]% discount as a token of gratitude for your continued trust and loyalty.

This discount will be commensurate with the savings typically enjoyed by in-network patients, minus the accompanying limitations.

Should you have any queries or concerns, please feel free to reach out to us at [Contact Information]. We deeply appreciate the confidence you've placed in us for your healthcare needs, and we eagerly anticipate continuing to serve you for many years to come.

Warm regards,

[Your Dentist's Signature]
