

Dismissal Letter

After careful consideration, we regret to inform you that our office can no longer provide you with dental care services.

This decision has not been made lightly and is based on a need to maintain a professional and respectful environment for all patients and staff.

Please understand that we are dismissing you as a patient in accordance with legal guidelines and our office policy. We are committed to providing quality care, and it is essential that our patient relationships are built on mutual respect and trust. Unfortunately, this has not been the case in recent interactions.

To ensure you have ample time to find a new dental provider, we will continue to provide emergency dental care for the next 30 days from the date of this letter, or until you secure another dentist, whichever occurs first. After that time, we will no longer be responsible for your dental care.

We encourage you to find another dental office that can better meet your needs. As a courtesy, we have enclosed a list of dental providers in the area who may be able to assist you. Should you require a copy of your dental records, please contact our office, and we will be happy to send them to your new provider once we receive a written request.

**We wish you the best in your continued dental care.
Sincerely,**
